

Terms of Use Agreement

CMTC operates and maintains prototyping facilities that offer a wide variety of tools and equipment, allowing individuals to design and fabricate working prototypes of project designs. Some of these tools and equipment are potentially dangerous to you or to others if operated in an unsafe manner. In addition, the operation of the CMTC prototyping equipment has inherent potential risks. If these machines are used in a dangerous way, you could be subject to serious injury, including loss of limb and death. Safe use of our facilities requires strict adherence to principles of general workshop safety and to the specific safety requirements for each machine or tool. Because some of the equipment at the CMTC can be dangerous, we have developed a set of terms that govern and control the use of CMTC prototyping facilities.

I understand and agree that my access to the Comcast Media and Technology Center (CMTC) is conditioned upon the following:

As a participant in the CMTC program, I understand and agree that my participation and access to CMTC is entirely voluntary. I understand that I am being permitted to have access to CMTC facilities and that this access may be suspended or revoked by CMTC staff if I fail to meet the identified terms of use, or if my use of the facilities is deemed as unsafe.

As a participant in the CMTC program, I understand and agree that I will follow all rules and policies involving the use of the equipment and the facilities. I agree to comply with the “CMTC Safety Rules,” and any other expectations conveyed by CMTC staff or faculty. I will not use any equipment or machinery until I have been appropriately trained and evaluated on its use. I agree that if at any time I am unable to safely utilize the equipment or machinery because of a temporary or permanent incapacity, I will notify a CMTC staff member.

As a participant in the CMTC program, I understand and agree that the primary function of CMTC facilities is to support the educational mission of the University of Colorado Denver. I understand that CMTC facilities are not to be used for any commercial manufacturing purpose.

As a participant in CMTC, I understand and agree that my access to CMTC facilities is non-exclusive, and I agree to abide by the access and usage priorities established by CMTC Staff. I understand that academic and class-related usage has the highest priority.

As a participant in CMTC, I understand and agree that I will use my best efforts to preserve and protect CMTC equipment and facilities. I understand and agree that if I damage or destroy any equipment or facilities as a result of my negligence or carelessness, I will be responsible for the repair or replacement of the equipment and facilities.

As a participant in CMTC, I understand and agree that I will be expected to act professionally and appropriately at all times. I understand that if I fail to do so, the CMTC Staff may immediately terminate my access, and I may be reported to the Office of Student Conduct and Community Standards or the Dean of my school or college.

As a participant in the CMTC program, I understand that I will be working around and utilizing equipment that can be dangerous. Meaning that I am voluntarily choosing to expose myself to these risks, including, but not limited to: rotating machinery, moving tools and blades, flying objects, hot objects, sharp objects, eye hazards, and tripping hazards.

As a participant in CMTC, I understand that I will not be covered by the University's liability insurance nor Worker's Compensation insurance when working in CMTC. I understand that it is recommended that I obtain or purchase my own health insurance coverage.

As a participant in CMTC, I understand that CMTC utilizes access controls to the prototyping facilities. I understand and agree that I will not share my access credentials with anyone. I understand that if I share either my access credentials, I am subject to immediate termination of access to the prototyping facilities, and I will be responsible for any damage/destruction/loss that occurs as a result of those actions.

I understand and agree that if I may be required to pay a registration, license, or subscription fee to have access to CMTC. I understand and acknowledge as a non-student that my access may be limited due to academic priorities, that my access is revocable, and that I can be refused access if I fail to comply with these conditions. No refund or other remedies will be provided if I am denied access or if my access is limited because of academic priorities.
